Mr. Peter C. Maxfield
Counsel to the Governor
Office of the Governor
State Capitol Building
Cheyenne, Wyoming 82001

Dear Mr. Maxfield:

As a follow-up our records requests and review, I believe I have found a way to expedite the review of sole source contracts. Our original requests sought sole source contracts. Most agencies, like the Department of Corrections, should maintain contract control sheets along with the sole source contracts themselves. We would limit our request to these documents to facilitate the gathering of those records. As a clarification, we are not interested in correspondence or emails or other materials relating to the sole source contracts. If we need such information, we will identify at a later time any limited amount of information of this nature that we might seek.

I hope this helps to expedite the document gathering process relating to sole source contracts.

Sincerely yours,

DRAKE D. HILL
